## Did You Know?

The PTO collects old cell phones for recycling. When you get a new phone, send in your old one and help us raise money!

## 2010-2011 PTO Board & Committee Positions

The RFISD PTO coordinates volunteers, organizes teacher appreciation, supports district wide programs and events. The PTO board is influential in raising funds, making decisions, and making arrangements for various student activities.

We are looking for people who are interested in making a difference in the schools by holding a board or committee position for the upcoming school year.

Please contact PTO President Natalie Blount at 659-3116 or (719) 660-2059 (mobile).

You can also e-mail: [president@randolphpto.org](mailto:president@randolphpto.org) for more information if you are thinking about a board or committee position. PTO board elections will be held in April.
