A Look Back at 2009-2010: What We've Accomplished

Redemption Programs:

Thanks to your support, our redemption programs (ink cartridge & cell phone recycling, Tyson label redemption, and Box Tops for Education) raised almost \$3200 this year!

Please help by continuing to support these programs.

From the Box Tops Coordinator: Look for summer collection bags to come home soon. Keep saving Box Tops and send them in once school starts in August.

Box Tops collection sheets can be printed from our website at www.RandolphPTO.org

If you know of other programs that can help our schools earn money, please e-mail: President@RandolphPTO.org

Elementary School Sunshine Committee:

- Provided back to school goody bags for all staff members
 - Gave small birthday gifts for all staff
 - Provided congratulatory "new baby" gifts to parents
- Offering daily tokens of appreciation and raffle prizes during Teacher Appreciation Week

Thank you to everyone who helped the RES Sunshine Committee reward and thank our teachers and staff for all their hard work! - Laurie Tabeb

Middle/High School Sunshine Committee:
